C. No. 2198/41, dated 19-7-1941.

Sir,

*Sub:-Infectious Diseases - Small pox - Epidemic - Appointment of temporary staff Sanction under section 8 P.H. Act - Solicited.

Enclosures .....

Spare Copies .....

I beg to submit that small pox was prevalent in this town in an epidemic form from 1-4-41 and as many as 52 attacks and 9 deaths were recorded. For the prevention of the epidemic, apart from the permanent staff, the Municipal Health Officer had appointed temporary epidemic staff of one second class vaccinator and two disinfection coolies under section 53(2) P.H.Act. The epidemic has been brought under control with 823 primary vaccinations and 16927, revaccinations carried along with the treatment and disinfection of the infected persons and material. As the temporary appointment made by the Municipal Health Officer requires sanction of the Government under section 8 of the Public Health Act, I request that the Government will be pleased to accord sanction for the appointments made for the periods noted under:

1. One Second class vaccinator from 27-4-41 to 30-6-41 on Rs.25/- plus Cycle allowance of Rs.3/-
2. Two disinfection coolies from 3-5-41 to 30-6-41 each at Rs.10/- per mensum.

The Government in G.O.No.Ms.2972 dated 12-7-41 have been pleased to issue orders of ratification of the appointment made of the second class vaccinator Sri. G. Subbarao, for a period of one month under the circumstances explained in this office letter C.No.2198-D.2 dated 26-5-41. The Municipal Health Officer in his orders C.No.2198-41-D.3. dated 12-6-41 copy enclosed had extended the services of the same subordinate to the end of June 1941 as the epidemic had not subsided completely and as there were also no condidates available with the qualifications prescribed in G.O.No.5924 P.H. dated 17-12-40 to replace him. I request, therefore, that the Government will be further pleased to issue orders of ratification of the appointment of the second class vaccinator, Sri. G. Subbarao, to the end of June 1941.
